Hi everyone, Well it looks like Spring is finally here. Well kind of? One day it's 80+ then back down to 60, but that's April for you. Now that warmer weather is here, that means we will start looking ahead at what rallies that are coming up. There should be a list of them in the newsletter, so you can pick and choose how many you would like to go too. If you're like me, I would like to go to all of them, but I know I can't afford all of them.

Chapter Z is headed to the Louisiana Rally, they might have some rough weather on Sunday and Monday going down. We hope they will ride safe and have good weather on the way home.

We have some rallies coming up if you are interested in doing some riding to get there.

May 18-20, Arkansas rally in Harrison, Arkansas

May 18-20, Wisconsin Dust Off in Montello, Wisconsin

June 1-3, Missouri Rally in Branson, Missouri

June 9-10, Wisconsin Ride In Reedsburg, Wisconsin

June 11th, Chapter U Poker Run in Vandalia, IL

That's just a start of things we can go to. and don't forget to sign up and go to the other big ticket items like our Summer Rally in Vandalia, Region E Ride In, La Crosse, Wisconsin. Eagle Wings Rendezvous in Knoxville, Kentucky. We have rented out a three bedroom house for the event. We will probably leave Tuesday of that week and arrive there Wednesday afternoon. the old Iowa - F are planning on going. Maybe we can hook up on Wednesday morning and ride together to Knoxville, you never know.

I plan on doing at least one day of riding around down there; It all depends on what they want me to do at the Rally, if anything. This Rendezvous will be different than what we are used to. So we will just have to see what it's like. I know that they want to concentrate more on riding.

So hopefully we can get together and see our members soon.

Riding around on a Breeze

## APRIL IS DISTRACTED DRIVING AWARENESS MONTH

## MAY IS MOTORCYCLE AWARENESS MONTH

**660,000**  
During daylight hours, approximately 660,000 drivers are using cell phones while driving

**TEXTING**  
Sending or reading a text takes your eyes off the road for 5 seconds. At 55 mph, that's like driving the length of an entire football field with your eyes closed

**DISTRACTED DRIVING**  
“Anything that takes your attention away from driving”

**DISTRACTED DRIVING KILLS**  
Each day in the United States, approximately 9 people are killed and more than 1,000 are injured in crashes that are reported to involve a distracted driver

**3 Types of Distraction**

Taking your eyes off the road

Taking your hands off the wheel
- COGNITIVE**

As our chapter Staff meet to prepare our riding calendar this past winter, that dreaded phrase popped up, “**we’ve done that before**”. I have started to hear this from several different people, about several different events and I’ve been trying to form a response. Then I read an article in the April issue of **Road Rider**. It was by Jeff Buchanan titled Exotic Destinations. The opening paragraph states

“Most of us like to be gone. It really doesn’t matter where. It’s in the going. A motorcycle will do that to you. Being gone, after all, has always been a cherished byproduct of the wanderlust and freedom associated with motorcycles. The reason so many people ride-and so many long to-can be attributed to the inherent romanticism motorcycles exude. They stir the imagination. By design and nature, they are exotic.”

Ok, I get it, its all about the ride. Being out there, just wandering. The destination, whether it’s a rally or just a day trip, is just the excuse for the ride. Yes, I’m all for looking for new adventures. But when you live in central Illinois and still have a job to go to, those adventures get harder to find. time and distance limits us to what we can attend. It is inevitable that some of our trips will be repeats. I agree that sometimes an event can get stale. But I have always found something new on each ride. Sometimes its just hanging out with people I don’t get to see very often. I guess I’m just the type of person that looks for a new adventure every time I’m on the bike. Besides, if time allows and there isn’t any other option, let’s ride! Please don’t take this as an excuse to not give your opinion when decisions are being made. That’s what makes this a great organization. Everyone can have a say, and your voice counts. Just understand that sometimes a repeat ride or event is the only option for that time frame. Being on a ride is better than **sitting on the couch**. And we can never forget that there might be someone along that has not experienced that particular ride yet.

Jeff ends his article with “it’s just a matter of going, of asking a stranger about where that road leads, of discovering things by chance, of taking the coveted wrong turn. Here’s to the “so forths and so ons” that keep us going, keep us vital and reward our passion and curiosity, our wanderlust and dreams.”

I hope everyone has a great and safe riding season fulfilling their “wanderlust and dreams” this summer.

As we finally head into the long-awaited spring we have an action packed season to look forward to. The Illinois Fun Run began earlier this month! We have until October 31st to visit as many or all of the 109 movie theatres, opera houses, and drive ins as we can. Some of the theaters are in western Illinois and will give us an opportunity to rack up points as well as visit areas like Savannah along the Mississippi River where we don't get to often. Across the river is a little town called Sabula. If you ride to Sabula it gives you the feeling that you're riding across the Overseas Highway into Key West FL. If you make it an overnight trip you can also visit the Motorcycle Museum in Anamosa Iowa which will be closing for good in September.

My Chapter G2 in northern Illinois is gearing up for a wonderful two week excursion. We'll spend three days at the 40th Anniversary of Americade in Lake George NY. Then we'll ride Vermont Routes 9 and 100 and through the Kancamagus Highway in New Hampshire. We'll spend a day in Beantown and see a game at iconic Fenway Park then visit several states along the coast. Riding several of the states on the east coast has been on the bucket list of many of our members.

We also have many EWMA events coming up this summer. The Dust Off 2023 in Montello, Wisconsin gives us a chance to support our neighboring chapters north of Madison. Come out for fellowship, camping, and a chili social. About two weeks later there's a rally in Branson followed by another event in Reedsburg WI. I went to Reedsburg last year and had a blast. Don't forget our annual Illinois District Summer Rally July 27-29. The most difficult decision you'll have to make is which ride you want to go on The Moonshine Ride or the Shawnee National Park Ride. In August the Region E Ride In takes place in La Crosse, Wisconsin. This is considered the first EWMA Region E event so it will be special. And we finally have the EWMA Inaugural Rally in Knoxville TN in August and September. There's a Scavenger Hunt ride to Knoxville followed by presentations, guest speakers, and more FUN at the Rally. Hope to see you there.

Take good care and ride safe.

Hello Illinois Motorcyclist, are you all ready for a new riding season to get underway? As announced at the Winter Warm Up, the District changed the name for MAP (Motor Awareness Program) Fun Run to just Illinois Fun Run. The **Illinois Fun Run** which is a season long poker run that **runs from April 1st thru Oct 31st**. This year we will be riding all over the state looking for those old movie theaters, opera houses and drive-in's that most of us remember in the rural communities. Cheryl and I have looked in each County of Illinois to see which towns had those old theaters still standing. Well Google Maps can only get us so far. After we got the list, then Cheryl personnel called various folks to verify the theaters only to find out some were demolished. So here's the list, out of 111 Counties we were only able to find theaters still standing in 75 counties. So decide which ones you want to see as a group or own your own. Some have been restored and operational, others left vacant and some are a different business. There are a lot of beautiful architecture inside and out. If you choose not to go inside to look around, that's ok too. We just need a picture with the name of the theatre and the names of the participants included, you can submit them online to the [Illinois District website](#) or mailto:[ewma.ildistrict@gmail.com](mailto:ewma.ildistrict@gmail.com). We will post the pictures on the website throughout the season. **Please if you find a theater has been demolished** please notify us and we'll update the list. Thank you

### The Rules are:

5 locations from the list = a poker hand (5 cards) for \$5.00. Each card will be given a point value 1-52 points drawn randomly. All money received will be given out as prizes at the Winter Warm Up in January 2024, if you're not present it will be mailed to you.

Have fun and enjoy, always be safe.

*ROY MILLER*
