Hello Everyone,

Summer is here and we have been doing some riding, well most of us have. I have not been on the bike yet. Having some health problems, but it is what it is. Hopefully that will change in a couple of weeks. But as a group, we've had a couple of rallies that was going on. We had the Missouri Rally in Branson, and then the Wisconsin Ride In. I heard that Chapter Z went down to the Louisiana Rally and had a good time and Chapter G2 just got back from a East Coast Ride.

So things are looking up. We will have rallies going on from here on out. Don't forget to sign up for our Summer Rally in Vandalia. Niehaus is hosting a big rally, first weekend in July. That's always a good place to go. I won't be there, but you guys have fun.

Lastly, I received an email that Illinois will be working the 50/50 booth at the Eagle Wings Inaugural Rally in Knoxville, Friday September 23rd from 8-5. if you are interested in helping us out. Please email me and let me know what time, you would like to work. and I'll put your name on a list. I would like to have 6-8 members for 3 shifts. (8-11, 11-2, and 2-5)

So keep riding because that is why we have motorcycles.

Greetings from The Gales

Sonny & I recently attended the Mo. District Rally in Branson Mo. the first of June. Weather was great. Thanks to Ken Lueckenatte & Jan Schanbacher and their team, for a great time. Some new things this year were meal tickets to Dana's BBQ, McFarllands, and Billy Gail's instead of lunches on the property. This rally was a "Riding Rally" so most of the people would be on rides and missed the lunches. This worked out well. Another fun addition was "on bike games". Even our President, Bruce Beeman got on a trike and participated. Illinois was well represented., and I believe, some of our IL. members won some gifts at closing ceremonies. I put photo's on the IL. Dist. FB page. We all had a great time. Next year, it will be at the same place May 30th- June 1st. You can call and make your reservations now and ask for the EWMA rate.

Summer Rally is soon approaching. This will also be a riding rally. there will be puzzles and cards put out for those of you that don't want to go on the rides. You don't have to ride a bike or trike to go on these rides. Feel free to drive your vehicles and get out and see the wonderful sights. There will be a light show, so put your bikes and trikes in it. We hope to see you in Vandalia July 27-29th. The weather is heating up so please stay hydrated and wear your sunscreen. [Know the signs of heat stroke and heat exhaustion \(link\)](#). Also be careful with people cutting grass and blowing it on the road.

Until next time... Sonny & Lisa A.D.D.

Greetings from Southern Illinois,

Last year I had heart surgery and couldn't ride for three months. During my rehabilitation I was placed on blood thinners to allow time for my heart to adjust. When month #4 got here I was ready to ride. When my nurse heard, I was going to get back on my Wing she warned me about the effect of using blood thinners like Eliquis, Warfarin, or daily aspirin. You are very susceptible to excessive bleeding in the event of a crash, sliding on the pavement, or just simple cuts and scrapes while out riding.

Her warnings made me think! How can I protect myself from bleeding to death in the event of an accident on the Wing?

So, I dressed like those Level IV riders we hear about. Full faced helmet, padded jacket, long pants, boots, and full fingered gloves. I had no skin showing so I felt safe when I rode.

On a local ride with some friends, I was asked by an EMT friend why I was dressed like a BMW rider (AGATT). I explained my new-found respect for protecting my body when I ride. He told me about some stuff they carry in the ambulance to treat excessive cuts and bleeding that I can get at the local Drug Store and carry in my first aid kit.

I highly recommend you check out this product to carry in your bike first aid kit if not for you; think about your fellow riders.

WoundSeal Powder, Stops Bleeding Instantly!

Proven safe & effective for people on blood thinners!

WoundSeal powder is specially developed to stop bleeding for people on blood thinners because it doesn't rely on the normal clotting factors in your blood. It forms an instant seal (or scab) over the wound in seconds. The seal is safe to leave in place until it falls off naturally and the wound heals. Now you have confidence to know you can control bleeding wherever you are.

Ride Safe!

Well the 2023 riding season is well underway! The Eagle Wings Motorcycle Association has had several exciting events so far. Back in May there was an opportunity for motorcycle camping at the EWMA Dust Off in Montello Wisconsin. Then three weeks later the Wisconsin Chapter offered another fun event, this time in Reedsburg which is just northwest of Baraboo. I went to the Reedsburg event last year and it was a great time. There were onboard motorcycle competitions, a presentation by a Wisconsin Motorcycle State Trooper, and an amazing guided ride through Wildcat Mountain.

This month we have our own Rally coming up from the 27th to the 29th. Our annual Rally will offer a 50/50 raffle, games, a light show, and your choice of a guided ride to either The Moonshine Store or a new location through the Shawnee National Forest. Two of my Chapter's members attended this last year for the first time and they both thoroughly enjoyed it.

Speaking of my Chapter, seven of us just returned from a fantastic thirteen day trip to the east coast. We began our adventure at Americade in Lake George NY where we stayed for three days. We took a guided ride to Lake Placid and got to stand on the Olympic Podium! We couldn't decide who placed first so we took pictures of each of us on the first place podium. One of our members even got to take a spin on the luge. Then we moved on to Vermont and New Hampshire and the Kancamagus Scenic Byway followed by a tour of Beantown and a Red Sox game at iconic Fenway Park. We also took a ferry out to Martha's Vineyard where we enjoyed a van tour given by a retired Firefighter/EMT. He took us past a local cemetery and told us about the famous people buried there. Who knew John Belushi has been resting there since 1982?!

And last but not least EWMA has two more events we can look forward to. The Region E Ride In is on August 17 up in La Crosse Wisconsin and our first major Rally as EWMA members will be in the end of August in Knoxville Tennessee at the Eagle Wings Rendezvous. The Rendezvous will last for three days and will include classes, presentations, a bike and light show, and of course, ICE CREAM!! Oh, and the area also offers some of the best riding in the states. Think Blue Ridge Parkway and Tail of the Dragon!

Take good care and we'll see you at the Rally in Vandalia!!
